Notes :
01: Effective 01 April 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. The Company has adopted Ind AS 115 using the modified retrospective approach. The effect of initially applying this standard is recognised at the date of initial application (i.e. 01 April 2018). The standard is applied only to contracts that are not completed as at the date of initial application and the comparative information in the unaudited financial results is not restated - i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. The adoption of the standard has resulted in an increase of
(a) Rs. 94.47 Lakhs (net of taxes) in the opening retained earnings as on 01 April 2018.
(b) Revenue from operations for the quarter and half year ended 30th September 2018 by Rs. 781.88 Lakhs and Rs. 974.02 Lakhs respectively.
The impact is mainly on account of the change in the percentage of completion method under Ind AS 115 when compared to the erstwhile revenue standard Ind AS 11.
Had the Company not applied Ind AS 115, the Company's Earnings per Share for the quarter and half year ended 30th September 2018 would have been Rs. (1.98) per share and Rs. (3.29) per share respectively.
